KAURNA HERITAGE SERVICES

Kaurna People have held a deep relationship with its land for some 40,000 years and fought hard to be recognised as the traditional owners of all the land and water ways of the Greater Adelaide Region.

RAW Heritage's solution-based approach has provided some outstanding outcomes without compromising Heritage Values, whilst providing outstanding results for our likeminded clients.

RAW Heritage has extensive experience managing the development and implementation of Cultural Heritage Management Plans across 3 tiers of Government and private developers.

Acting primarily as the sole Heritage provider for Kaurna Yerta Aboriginal Corporation (KYAC), RAW Heritage provides corporate governance around strategies to engage and participate in projects undertaken on Kaurna lands.

RAW Heritage acknowledges the importance of supporting community in providing a commercially sustainable structure for longevity of operations and prosperity.

RAW Heritage's services are a working partnership with Traditional Owners who together achieve their common goals by delivering sound commercial heritage services.

“ BRINGING MEANINGFUL RECONCILIATION OF THE PAST, PRESENT AND FUTURE. ”
